Deals | Sign -On Sign Skip to Movie and Times Big changes are forming in the film industry: emerging digital technology is about to revolutionize the studios as well as their local cinema. Find out why Hollywood is being digital! By Tom Harrisif You've seen an IMAX movie, you know it's not a typical movie. It sometimes takes years to produce, resulting in an incredible unparalleled viewing experience. Discover all about this amazing filmmaking technology! By Marshall Brainspielberg said that sound is the main technological achievement of the contemporary film.
